Stay & Play in North Bay.

North Bay is a beautiful waterfront city and offers an array of activities and experiences throughout the seasons. As the snow melts away in spring, the city comes alive with blooming flowers and rejuvenated greenery. It's an ideal time to explore the numerous parks and nature trails, such as the picturesque Laurentian Escarpment Conservation Area, where hiking and birdwatching opportunities abound.

In the summer, North Bay truly shines with its sparkling lakes, inviting beaches and breathtaking sunsets. Visitors can partake in water sports, fishing, or swimming in the pristine waters of Lake Nipissing and Trout Lake.
